

Join us in our mission of "offering Hope and Healing through Christ-centered Help." Licensed Mental Health Clinicians needed to work at a thriving Christian counseling practice. Excellent team of counselors who offer peer consultation and clinical support. Our group is credentialed with most insurance companies and provides marketing support, referrals, and EXCELLENT income potential.

Qualifications:

- Individual must be licensed by the state of NC (LCMHC, LCMHC-A, LCSW, or LMFT).
- Comfortable using a Christian approach as well as other therapeutic approaches with clients.
- Ability to work with a variety of issues, i.e. depression, anxiety, anger, relationship issues, grief, trauma, etc. for individuals (adults, adolescents, children), married couples, and/or families.
- Willingness to be on insurance panels as well as see private pay clients.

Job Description:

- Facilitate individual, and/or family counseling for Children, Adolescents, and/or Adults.
- Complete intake and diagnostic assessments.
- Coordination of care with doctors, and/or psychiatrists.
- Represent the practice at community gatherings/meetings, and public speaking engagements as needed.

Benefits:

- Individual will set their own hours.
- Individual expected to manage themselves.
- Health insurance allowance.
- Peer support to enhance professional growth.
- Work/Family balance with PAID time off.
- Administrative support and EHR.
- Supervision included (associate level)
- CEU allowance.
